Please provide a brief description of Project:

How will a Grant from the Endowment Fund influence this project?

How will this project influence the mission of Hopewell Presbyterian?

Are there collaborative partners who will support this project?

What is the estimated timeline for this project?

What additional resources will you need to be successful? (volunteers, additional funding, marketing/outreach, other?) Please elaborate.

How would you describe the cost of the project to the associated benefit?

How will you evaluate the impact of this project?

Date of Submission: _____

(Please provide details and use additional sheets as needed.)

Should we need clarification or additional information, you will be contacted. If your Grant application is approved, we *request a report* on the success of your project at its conclusion. An outline of report expectations can be found on the website. If the proposed project does not take place, or if it does not require the entire amount granted, you are expected to reimburse the Endowment Fund all unused monies within 60 days of such determination.
